

Minutes

Sandwich Public Library District

Building and Grounds Committee

August 30, 2018

10:30 am

Present: Trustee Jane Wolf, Trustee Denise Curran, Trustee Nancy Sanders

Also present were Steve Wolf and Nancy and Larry Christian of Redbud Creek Farm

The Building and Grounds committee and Steve met with Nancy and Larry to walk the grounds of the Library to observe current landscaping and offer suggestions. After walking the grounds, the committee discussed various options.

It was decided by the committee to ask Redbud to quote the different plants and grasses discussed and if reasonable, consider purchasing from Redbud and asking Yingling to rebid their proposal to remove dead plants and install new ones only. Jane will speak with Amy about the next steps.

The committee will meet at 5:30 on September 11, 2018 to further discuss the landscaping proposals.

Meeting adjourned at 12:00 pm.

Respectfully submitted

Jane Wolf

Building and Grounds Chair
