The 02.11.21 Building & Grounds meeting minutes were approved.

Current business:

Bids from several landscaping companies were received. Some landscapers have asked for additional time so they can assess our property when there is no snow.

A decision to have Barb contact one landscaper about the cost of mulch and three other landscapers about submitting a bid by March 4 was made.

The committee will meet at 5:45 on Tuesday, March 9, before the regular Board of Directors meeting to make a decision on landscaping.

Meeting was adjourned at 3:23.
